Profile

I am Prateek Mishra, an engineering student and a passionate programmer. I have learned C, C++, HTML, CSS and basic JavaScript, and I am eager to explore more languages and technologies. I have a solid understanding of computer science fundamentals, such as algorithms, data structures and object oriented programming, and I have strong Java skills. I am interested in working on machine learning algorithms and data analytics, especially in the field of online advertising. I am a quick learner, a creative thinker and a team player. I am looking for an internship opportunity that will challenge me and help me grow as a developer
